### LETTERS TO MRS. PINKHAM FROM WOMEN RELIEVED OF SUFFERING:

Mrs. George Osmun, of Belvidere, Warren Co., N. J., writes:

"Suffering as I had from weakness, irregularities and backache for several years, a release from this suffering was a blessing. Oh! how I wish more suffering women would accept your kind offer and be relieved. There is no need for women to suffer. Mrs. Pinkham's advice and Lydia E. Pinkham's Vegetable Compound will relieve

Mrs. Ida Peters, Milan, Tenn.,

"DEAR Mrs. PINKHAM-- When I wrote to you the first time asking your advice I was a great sufferer. Menstruations were irregular, sometimes a week too soon and then a week or two late, and when they appeared were very profuse; great pain and tenderness in the bowels, pain in back and limbs, leucorrhœa all the time. I was weak and nervous as I had no appetite. Burning and choking sensation in my throat. I received your reply and followed all your instructions and now I am cured, I owe my recovery all to Mrs. Pinkham's advice and her wonderful remedies."

Mrs. Maggie P. Stine, New Berlin, Pa., writes: "I have suffered with termble

backache in the small of my back for about seven years, and could never get anything to help me, I tried several physicians, but found no help. I have now taken three bottles of Lydia E. Pinkham's Vegetable Compound, and feel like a different woman."

Mrs. H. A., 124 Cedar Street, Owosso, Alch., writes:

"Nearly three years ago I whote to you asking advice in regard to my health. I was so miserable; suffered from painful menstruation and backache, was nervous, dizzy and faint. I received such a kind letter from you, ic' just what to do. I followed your advice and I now ain recommending Lydia E. Pinkham's Vegetable Compound. I thank God for this pain destroyer."

Mrs. Pinkham Saves Mrs. McDaniels' Life.

Nearly all the time for seven years I was confined to my room. consulted the bost doctors in my town, and tried almost everything I could think of, but whole body was diseased, and the pains I suffered no tongue can tell. I believe there is no a pain that any woman ever suffered but what I have 3 h I was troubled with backage, nervousness, a burning and constant distress in the stemach, painful menstruation, leucorrhiga, and at times very bad headaches. At last seeing your remedies so highly recommended I decided to try them, and to write to you concerning my troubles.

" After receiving your letter of

advice. I followed your directions 🔀

and have now taken four battles. of Lydia E. Pinkham's Vegetable Compound, one of Blood Purifier, one-half box of Liver Pills. and one and one-half packages of Sanative Wash, and can say that I feel like a new person - I think I should not have been on this earth now, had it not been for your medicine.
